SPORTS EQUITY

Brentwood Hockey Club opposes all forms of discrimination in sport and is committed to ensure that membership of the Club is available on an equal basis, irrespective of age, race, gender or disability. It will endeavour to ensure that opportunities are provided for all groups at a level appropriate to their needs and aspirations.

CLUBS FIRST

Brentwood Hockey Club become the first hockey club in the east of England to be accredited with a "Clubs 1st Award", by England Hockey, the national governing body for the sport.

Clubs first is the England hockey version of the sport England Clubmark award which recognises clubs that offer safe, effective child friendly environments. The club has demonstrated that they meet all the criteria of this national scheme.

COMMUNITY AMATEUR SPORTS CLUB (CASC)

The Hockey Club is now registered as a CASC which is a new government scheme allowing amateur clubs some of the tax benefits of being a charity without going through the rigorous process of actually becoming a charity.

The most beneficial aspect is qualification for gift aid on donations meaning the club can claim back the tax paid by the donor at the basic tax rate and the donor can claim back any tax they paid at the higher rate.

Further there is no lower limit on the amount that can be donated so if you are feeling generous please speak to our Treasurer, Rob Logan.

Please Note: Tax relief is not available on subscriptions.
